Our Mission

CK Power is an engine distributor, manufacturer, fabricator and authorized service provider built on the belief that there is an intrinsic value and personal reward in producing product and providing service that exceeds client expectations. Each CK Power employee succeeds because our clients succeed.

CK acts responsibly to protect our environment, provide economic opportunity fairly, work safely and most of all, consider the person in all our business affairs. Our central focus is distributing engines and gensets with custom engineering, fabrication and assemblies to meet client needs. CK services include flexible lead times, custom design application, low cost manufacturing design, administrative support, and customized service maintenance plans.

CK maintains a solid core of business in proprietary products marketed and sold directly to the OEM and end user. From this core, CK provides contract manufacturing work using the same skills and specialty equipment. CK maintains a strong presence in a variety of markets including construction and agricultural equipment, marine, military, oil field, and others who distribute and manufacture gen sets for stationary or trailer mounted equipment.

CK is a robust company that adapts to the ebbs and flows in individual industries and economic climate accordingly allowing our clients to depend on us to be there when we are needed.

Our mission is to expand and continually improve. CK utilizes quality practices and employee involvement to distribute engines, design and manufacture products, and provide exceptional service that results in client and employee satisfaction.

Owner, Chief Executive Officer

CK Power is a leading manufacturer of power units and power generator solutions for a variety of markets and customers. In addition to our manufacturing capabilities, CK Power has long been a leading distributor of new and remanufactured natural gas and diesel engines.

CK Power is also a proud distributor and authorized service provider of Kohler Power Systems. Our mission is to continually expand and improve our power solutions product offerings.

Power solutions Provider

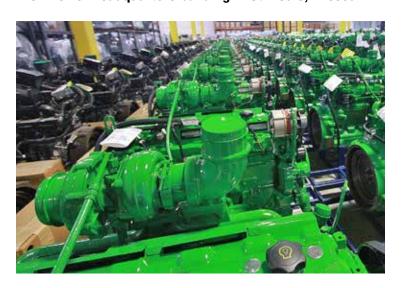

CK Power provides power solutions to meet your application needs. From generator sets to power units our engineering team designs product with 30 years of application expertise.

Our Personnel

At the heart of CK Power are our employees. As a family-owned business, CK Power values the welfare and happiness of each and every one of our 100-plus employees, all of whom work diligently to support the team. They, in turn, enjoy a number of benefits, including healthcare and profit sharing, as well as a fun and challenging work environment.

© CK Power is a distributor for Kubota, Kohler, John Deere and Volvo Penta

engines. CK Power specializes in

manufacturing products that meet your application needs. Please see below for more information on our engine lines:

Kubota:

Hp Range: 13.3-114 hp

Fuel Options: Diesel or NG/LP

Final Tier 4 Solution:

· Lower hp: Catalyst only

· Higher hp: DOC & DPF

Tier 3 Flex Engines Available

Kohler Industrial Engine

Hp Range: 42-135 hp Fuel Options: Diesel Final Tier 4 Solution: · Lower hp: Catalyst only · Higher hp: SCR only

John Deere:

Hp Range: 74-600 hp Fuel Options: Diesel Final Tier 4 Solution:

Lower hp: (74 hp) DOC & DPF
Higher hp: SCR, DOC & DPF
Tier 3 Flex Engines Available

Hp Range: 141-690 hp Fuel Options: Diesel Final Tier 4 Solution: • All Engine Models SCR Tier 2 Flex Engines Available

VOLVO PENTA

CK Gas:

Hp Range: 15-530 hp Fuel Options: NG/LP

EPA Certified or Un-Certified

© CK Power has manufactured prime power generator sets for over 30 years.

CK offers standard packages and

customized packages to meet the needs of our customer's applications. We are not the out of the box generator manufacturer. Please see below for more information.

NG/LP Gensets: **CK** GAS°

CK Power offers a complete line of NG/LP prime power generator sets from 13-400 kW. With the rising costs of diesel fuel the NG/LP option has become the most cost effective option.

Diesel Gensets:

CK Power offers a complete line of prime power diesel generator sets from 45-625 kW. We have the option to supply Tier 2, 3 and FT4 solutions to meet your application needs. Please see below for our full line up of CK Generator Sets:

CK Power has developed a line of small, quiet, dependable mobile generator sets

quiet, dependable mobile generator sets. The CK Power Paks range from 3-45 kW.

These units have been used in numerous applications from utility companies, military and custom fabricated marketing vehicles to a personal luxury mobile home. Please see below for more details.

CK Power Pak Gensets

Standard CK controller on all models. CK Power offers a complete line of optional equipment; please contact your CK Sales Representative for more information.

Standard Equipment:

- Water Cooled Turbo and Exhaust Manifold
- Keel-Cooled
- Optional Heat Exchanger Cooling with Sea Water Pump
- Electronic Governor
- Fuel Transfer Pump
- Replaceable Wet Type Cylinder Liners
- Corrosion Resistant Components
- 12 Volt Electrics
- Air Cleaner
- Battery, Battery Rack, and Cables

- Raycor Fuel/Water Separator
- Closed Crankcase Ventilation
- Engine/Generator Control/ Instrument Panel
- Oil Drain Extension
- Belt Guard
- Heavy-Duty Skid with Isolator Pads
- Marathon Mariner ABS Type Re-connectable Generator End
- US EPA Marine Compliant
- IMO Compliant

Marine Auxiliary Drive Variable Speed Power Units

Standard Equipment:

- Fuel Injection System with Governor •
- Fuel Transfer Pump
- Water & Oil Pump & Oil Cooler
- Oil & Fuel Filters
- Intake & Exhaust Manifolds
- 12 Volt Starter & Alternator
- Spark Arrestor Muffler

- Murphy/John Deere Instrument Panel with Throttle and Gauges with Low Oil Pressure and High Water Temp Shutdowns
- Inline PTO
- · Battery, Rack, and Cables
- SAE Flywheel Housing with Flywheel for Overcenter Clutch
- Donaldson Air Cleaner with Removable Element & Inlet Hood
- Oil & Antifreeze
- Heavy Duty Pedestal Mount
- 120° Cooling System
- Front Grill and Hood
- Raycor Fuel/Water Separator Oil Drain Extension

CK Power offers a complete line of Diesel and Natural Gas Power units ranging from 15Hp-760 Hp. CK Power specializes in engineering the power unit to your application need. Please see below for more details:

NG/LP Power Units CK GAS°

NG/LP CKPU's are available from 15-239 hp. CK Power offers EPA certified, non-certified and EPA compliant power units. CK Power can customize your power unit to meet your application needs.

Final Tier 4 Transition Power Units:

Diesel Tier 4 Transition Power Units are available from 13-768 HP (Dependent upon engine line). CK Power offers a wide range of Tier 2/3 Flex power units using Kubota, John Deere and Volvo Penta engines. Availability limited to current inventory and EPA regulations.

CK Power offers a complete line of optional equipment; please contact your CK Sales Representative for more information.

Diesel Final Tier 4 Power Units

CK Power has engineered, developed and tested a full line of Final Tier 4 power units (FT4). CK Power has the ability to choose from multiple FT4 solutions to find the solution that is going to meet your applications need. CK Power wants to make the FT4 transition as cost effective as possible for our customers. CK Power prides themselves on finding a high quality, efficient solution for our customers while putting money back in their pockets.

Diesel Final Tier 4 Power units available: 13-690 Hp. Please contact your CK Sales Representative for more information.

APU Features:

- EMS PRO CK Custom Murphy Controller
- Emergency Stop (E-Stop) for manual shutdowns
 - Pump-off controller friendly
 - Dual fuel NG and LPG
- EPA Quad J certified engines (Kohler CH730 only)
 - Battery Rack and Cables
 - Single point lifting bale for easy setting and removing
 - Oil Field Skid and Enclosure that meets any safety criteria.
 - Belt Guard
 - Extended Oil Filter System
